

Year 2 – Home Learning – 24th February 2023

✓ Take AR® Quiz

Reading Challenge – This week we would like you to Go on to MyOn and read one of your project books. We will be looking at life cycles in Science next half term so these books will help us with our learning.

History –

‘Inventors and Inventions’

As part of your home learning

We would like you to invent something of your own to bring in to school after the holidays. Use your imaginations and be as creative as you want. We look forward to seeing what you create.

What is an invention?

- An invention is a **new product, device, or process that did not exist before the inventor created it.**
- Inventions come from all over the world.
- Inventions go beyond just technology: things like toys, food, sports, and musical instruments can also be considered inventions.

Maths –

Complete your 3 sessions in the Studio area Then practise your 3x in the Jammin area.

You have some challenges set on Purple Mash

Literacy –

1- Practise this weeks spelling words using the Look Cover check sheet

2- Create a senses mat to describe your new robot design on Purple Mash

Reminder-

PE: PE will be indoors therefore children will require pumps again. Our PE day will be

Class 6 Monday

Class 5 Wednesday
