<b>Reading:</b>	<p>Log into your MYON account daily and read the set texts daily. Once you have read the text 2 or 3 times then do the AR quiz. You can leave your teachers a review once you finish a book to say if you enjoyed it and if you would recommend it to a class mate.</p> <p><a href="https://www.myon.co.uk/login/index.html?logoutReason=10&amp;returnTo=%2Flibrary%2Fsearch.html">https://www.myon.co.uk/login/index.html?logoutReason=10&amp;returnTo=%2Flibrary%2Fsearch.html</a></p> <p>MyON – Books will be added and you can search/browse any books you fancy. Please quiz on your MyON book too.</p> <p>Read your reading book every night and make a list of any words you are not sure about. You can quiz on your school book on the AR website.</p>	Daily									
<b>Writing:</b>	<div style="text-align: center;">  <p>I have found out...</p> </div> <p style="text-align: center;">L.O. - to write a setting description.</p> <p>S.C.</p> <ol style="list-style-type: none"> <li>1. Paragraphs</li> <li>2. Senses</li> <li>3. All punctuation</li> <li>4. Edit and improve before handing in.</li> </ol> <p>Think about the learning we are doing at school. Use this as a chance to practise ideas or write a better version of what you have done in school.</p> <p>Please watch the video first.</p>	Friday									

<u>Maths</u>		
<u>Maths</u>	<p>TT Rockstars – who will win the battle? Class 7 or Class 8? Can you get your heat map greener? Just 10 minutes a day can make a big difference.</p> <p>Your Maths activity this week will be on <b>Time</b> Use what you have learnt in class this week about time</p> <p><b>Please watch the help video first.</b></p> <div style="display: flex; align-items: center; justify-content: space-around;">  <div style="border: 1px solid #4a86e8; padding: 5px; background-color: white;">  </div> </div>	<b>Friday</b>
<u>Curriculum</u>		
<u>Science - Plants</u>	<p>Our topic in Science is Plants. Think about the learning you have already done in Year 2 and 3 on Plants. This weeks task is about what a plant needs/requires to grow. Watch the BBC Bitesize videos that explain what a plant needs. <a href="https://www.bbc.co.uk/bitesize/topics/zy66fg8/articles/zcmtk2p">https://www.bbc.co.uk/bitesize/topics/zy66fg8/articles/zcmtk2p</a> <a href="https://www.bbc.co.uk/bitesize/topics/zy66fg8/articles/z98jpbk">https://www.bbc.co.uk/bitesize/topics/zy66fg8/articles/z98jpbk</a></p> <p>Then complete the Purple Mask task. First label a plant and tell me the job of each part, for example the roots anchor the plant to the ground and absorb water and nutrients from the soil. Then tell me what plants need to grow and survive.</p> <div style="display: flex; align-items: flex-start;"> <div style="border: 1px solid #ccc; padding: 5px; margin-right: 10px;">  <p style="text-align: center;">Growing Plants</p> </div> <div style="width: 150px;"> <p>What does a plant need to grow?</p> <p>What are the different part of a plant and what do they do?</p> <p style="text-align: center;">soil</p> <p style="text-align: center;">sunlight</p> <p style="text-align: center;">air</p> <p style="text-align: center;">water</p> <p style="text-align: center;">roots</p> <p style="text-align: center;">stem</p> <p style="text-align: center;">leaves</p> <p style="text-align: center;">flower</p> </div> </div>	<b>Friday</b>

**Home learning to be completed by Friday. Thank you.**
