Topic Project		
<p>Our new topic after the Easter holidays is on Polar Regions, focusing on Shackleton. We would like you to do your own research on Shackleton, finding out:</p> <p>Who he was What he did Where he led his crew His struggles during his expedition Why he was so successful at leading his crew</p> <p>You have a few options of how you would like to present this research. On Purple Mash you will find a leaflet, newspaper and slideshow template that you may choose to use or you can use your creative skills and present it as a poster or 3D model.</p>		

Please support your child at home with their Easter Home Learning. It is expected that all learning is completed and either submitted on Purple Mash or brought back into school on the 19th April as it will support them with their upcoming learning in Summer term.

Thank you for your support.
