## Curriculum

### On-going project- History

Our new topic for next half term will be **Great Britain...NOW**. We will be looking at the geography of the country we live in, what countries make up Great Britain and looking at where we are in the world. You can help your child by talking to them about landmarks around Great Britain, places you may have visited as a family or looking at maps together

For your topic home learning this half term. We would love for you to produce a super piece of learning to show us what you have found out. This might be *a fact poster all about Great Britain, A creative map showing the different places in Great Britain or even a 3D craft*. Be Imaginative – We can't wait to see what you come up with!
