

Year 4 Home learning Spring 2 Week 1

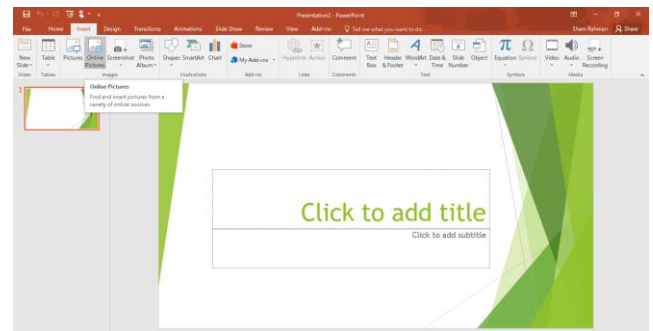

Task

Over the next 6 weeks we will be learning all about the rainforests. Create a Slideshow (PowerPoint etc) sharing your research. This can be done as an ongoing project and then shared in the final week.

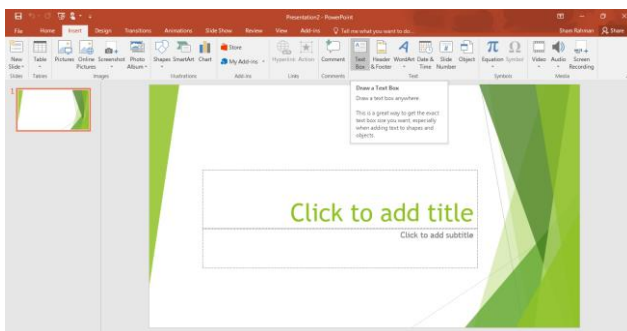

How to create a slideshow [using MS PowerPoint]

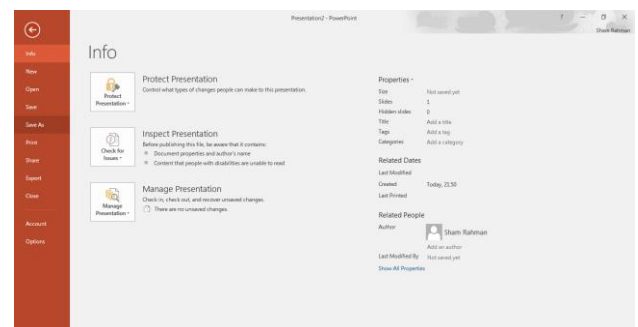

1. Choose a design.

3. Insert images/pictures from the internet.

2. Insert a text box.

4. Save your document with your name.
