Curriculum

On-going project

Think about all the different ways we use water. Write them on the A3 sheet sent home before the half term holiday. Once this is completed please bring this back to school so we can look at it as a class.

Home learning to be completed at any time throughout the week. All activities are set on seesaw, once they are completed we would like you to send it back to us on seesaw. If you have any questions you can send us a message through the inbox. Thanks, Miss Savage and Miss Bradshaw
