

Parents' Guide to SEND at Greenhill Academy

At Greenhill Academy we aim to ensure that all pupils, regardless of their specific needs, make the best possible progress in school. We aim to be as inclusive as reasonably possible, in meeting the needs of pupils with Special Educational Needs and Disabilities in adherence with the Code of Practice.

The four broad 'areas of need' are:

- **Communication and Interaction**
- **Cognition and Learning**
- **Social, Emotional and Mental Health Difficulties**
- **Sensory and /or Physical Needs.**

A child or young person has special educational needs if he or she has a learning difficulty or disability which calls for special educational provision to be made for him or her. A learning difficulty or disability is a significantly greater difficulty in learning than the majority of others of the same age. Special educational provision means educational or training provision that is additional to, or different from, that made generally for others of the same age in a mainstream setting in England.... health care provision or social care provision which educates or trains a child or young person is to be treated as special educational provision. (Code of Practice, 2014)

What can we offer for children with SEND?

At Greenhill Academy, we embrace the fact that every child is different and unique, and, therefore, the educational needs of every child are different; this is certainly the case for children with Special Educational Needs.

Who can I talk to about my child's needs?

The class teacher

The Trust has the legal responsibility to ensure that its academies meet the needs of all pupils including those with SEND. The SEND Trustee ensures that the board:

- Uses 'best endeavours' to ensure that pupils get the support that they need
- Has that relevant approved policies and that their effectiveness is monitored
- Deploys adequate resources to provision for pupils with SEND
- Has appointed suitably qualified SENDCos and that they are working effectively to meet the SEND Code of Practice
- Advocates on behalf of children and their families to ensure they get the provision they need

What support do we have for you as a parent of a child with SEND?

The class teacher is regularly available to discuss your child's progress or any concerns you may have and to share information about what is working well at home and school, so that similar strategies can be used.

- The SENCo is available to meet with you to discuss your child's progress or concerns/worries you may have.
- All information from outside professionals can be discussed with you with the person involved directly, or where this is not possible, in a report.
- Individual plan targets will be reviewed with your involvement every term.

If you have any further questions or concerns about your child then please make an appointment to speak to the Principal.

What are IP Targets?

Individual plan targets are **small, simple steps to support your child** in school. Your child will have 1– 4 targets that all staff working with your child will know. Teachers and Teaching assistants will know how they can help your child achieve those targets and will work alongside them to support this.

How can you help your child with their targets at home?

The SENCO or class teacher can give you a copy of your child's IP targets for you to look at and support your child with at home. The SENCO can help you with ideas of how to support your child with their targets at home.

What is the Local Offer?

The Children and Families Bill came into effect from September 2014. Local Authorities and Schools/Academies are required to publish and keep under review

information about services they expect to be available for the children and young people with Special Educational Needs (SEN) aged 0-25. This is the 'Local Offer'.

The intention of the Local Offer is to improve choice and transparency for families. It is also an important resource for parents in understanding the range of services and provision in the local area.

At Greenhill we utilise the LA Local Offer to meet the needs of pupils with SEND as determined by Academy policy and the provision that the school is able to meet, working in partnership with the Local Authority, external agencies and partners in Education, Health and Social Care.

The Family Information Service (FIS) provides free, impartial, up-to-date information to support parents/carers with children and young people aged 0-19 years (up to age 25 with a disability or additional need) and prospective parents www.oldham.gov.uk/fis

POINT is a registered charity that was established in 2010 by 4 parents and carers of children and young people with additional needs and disabilities. Their driving mission is to ensure that parents and carers have access to meaningful information, advice, and peer support, whilst enabling their voices to be heard to drive change and shape better services. POINT now delivers a wide range of Information, Advice and Support Services for, and with, families of children and young people with Special Educational Needs and Disabilities (SEND). <https://www.point-send.co.uk/what-we-do>

SENDIASS is short for Special Educational Needs and Disability (SEND) Information, Advice Support Service (IASS) and exists to help parents and carers of children who have, or may have, special educational needs and/or disabilities; and children and young people themselves, in matters relating to their Education, Health or Social Care provision.

Their support services are tailored to your individual needs and are both personal and confidential. They can offer you:

- *Independent information about Special Educational Needs & Disability (SEND).*
- *Advice about working with those involved with you, your child or young person.*
- *Information about local support networks.*
- *Support to arrange Mediation and Disagreement Resolution.*
- *Support with SEND Tribunal claims.*
- *Opportunities to improve and shape services through our SEND IAS Steering Group.*
