Greenhill News

This week we have continued to explore our 5 **British Values** and we focused on **Individual Liberty**. The children learnt that liberty means that we decide many things about our lives and have the freedom to rule themselves. We discussed that people have the freedom to make choices for example the clothes they wear, the food they eat, the house they live in. The children produced ways they have liberty in and outside of school. We celebrated everyone for who they are!!

Reminders

We have now moved over to school spider- please use the app to sign up for parents evening.
