

# Greenhill Newsletter

As it is World book day this week, I would like all the children at Greenhill to do an extra read with their parents this weekend.

Look for something new to read or let your parents read a book/ magazine/ article to you.

Please research what World book day is all about.

Why don't you try...

## Greenhill News

This week we have been learning about the power of kindness. Through stories, activities, and discussions, the children discovered how simple acts of kindness can have a lasting impact on others and themselves.

The children embraced the idea that kindness is not just about grand gestures, but about small, everyday actions that can brighten someone's day. We've seen them practice empathy, support one another, and contribute to a positive, inclusive environment.

## Reminders

We celebrate world book day on Wednesday - don't forget to wear your pyjamas or something comfortable.
