

Greenhill Newsletter

RE – The weather this week has been beautiful making everyone feel a bit happier. Can you take some time to think of what else you are grateful for?

Why don't you try...

Greenhill News

This week we have been learning about the importance of saving money. Children now understand that saving can help them achieve their goals, like buying a toy, a bicycle, or even saving for their education.

We've talked about why people save money, such as for emergencies, future purchases, or long-term goals like buying a house. The children are learning that saving can provide security and opportunities in the future.

We've also explained how saving money can help them when they get older. For example, having savings can give them the freedom to make choices about their careers, travel, or support their families. It can also help them handle unexpected expenses without stress.

Now the weather is hotter, do not forget to send your child with a water bottle and suncream. It is a good idea to put suncream on your child at the start of the day. We will encourage children to play in the shade and keep them out for only short bursts of time.

Whole School Attendance

90.24%

Our **ATTENDANCE HEROES** this week were:

Week Beginning: 28th April 2025

U3 am – 70%	U3 pm – 88.71%
