## Greenhill News

This week, the children have been learning about the importance of charity and how acts of kindness can positively impact others. As part of this learning, the children are now preparing for an exciting fundraising event—a charity Eid run in support of **Dr Kershaw's Hospice**. This event will give them a chance to put their learning into action and raise money for a meaningful local cause. More information about the run, including dates and how you can support, will be shared with you very soon. We wish you a blessed Eid if you are celebrating this weekend.
