

Greenhill Newsletter

We want to continue to develop a love of reading with all the children at Greenhill Academy. All the children should have a reading book which they take home every night. Please read with your child 3 times a week and log it in the little yellow book.

Why don't you try...

Greenhill News

Welcome back to a brand-new school year! We're so excited to see everyone's smiling faces and positive energy filling the halls again. As we settle into our routines, we're also kicking off our focus on **Zones of Regulation**—a framework that helps us understand and manage our emotions.

We're starting with the **Green Zone**, which is all about feeling *calm, focused, and ready to learn*. When we're in the **Green Zone**, we're at our best—happy, relaxed, and in control. It's the perfect place to begin our journey together this year.

Throughout the term, we'll explore each zone and learn strategies to recognize and regulate our feelings. Our goal is to support every student in building emotional awareness and resilience, both in and out of the classroom.

Let's make this a year of growth, kindness, and connection—starting in the **Green Zone!**
