Curriculum																																																																															
One curriculum area to be selected a week	<p>Complete the World war two project that was set over the summer holidays. You can research any aspect of the war and decide how you are going to present your research.</p> <p>Some ideas are listed below:</p> <ul style="list-style-type: none"><li>-poster</li><li>- fact booklet</li><li>- a labelled sketch</li><li>-a model</li></ul>	Monday 21 <sup>st</sup> September																																																																													
On-going project-	<p>As part of our Year 6 Science topic this half term and thinking about what you missed in Science in Year 5 summer term, we are asking you to create an animal habit. This can be an animal of your choice and you can present in any way that you would like.</p> <p>Remember, a habitat is a type of environment that a particular specific lives in.</p> <p>Ideas:</p> <ul style="list-style-type: none"><li>• Habitat in a jar</li><li>• Create a shoe box habitat</li><li>• Create a poster</li><li>• Design a leaflet</li><li>• Put all of your ideas in a piece of writing</li></ul> <p>Think about why your chosen animal is suited to its environment.</p> <p>Please be ready to bring your project in, share, and discuss with the rest of your class.</p>	19 <sup>th</sup> October
