<b>Reading:</b>	Reminder about daily reading at home  Myon reading task – read Jars of Hope ready for a whole class discussion	
<b>Writing:</b>	Complete the planning grid using the prompts. Think about what we have learnt in class.	Monday 21st September
<b>Maths:</b>		
<b>Maths</b>	<p>Purple mash- In maths this week we have been looking at division. Your homework this week is multiplying &amp; dividing both whole and decimal numbers by 10.</p> 	Monday 21 <sup>st</sup> September
<b>Curriculum</b>		
<b>One curriculum area to be selected a week</b>	<p>Complete the World war two project that was set over the summer holidays. You can research any aspect of the war and decide how you are going to present your research.</p> <p>Some ideas are listed below:</p> <ul style="list-style-type: none"> <li>-poster</li> <li>- fact booklet</li> <li>- a labelled sketch</li> <li>-a model</li> </ul>	Monday 21 <sup>st</sup> September
<b>On-going project-</b>	<p>As part of our Year 6 Science topic this half term and thinking about what you missed in Science in Year 5 summer term, we are asking you to create an animal habit. This can be an animal of your choice and you can present in any way that you would like.</p> <p>Remember, a habitat is a type of environment that a particular specific lives in.</p> <p>Ideas:</p> <ul style="list-style-type: none"> <li>• Habitat in a jar</li> <li>• Create a shoe box habitat</li> <li>• Create a poster</li> <li>• Design a leaflet</li> <li>• Put all of your ideas in a piece of writing</li> </ul> <p>Think about why your chosen animal is suited to its environment.</p> <p>Please be ready to bring your project in, share, and discuss with the rest of your class.</p>	19 <sup>th</sup> October
