Second Shot

We are looking at forces in Science this half term. In this book different forces are mentioned throughout the Reggie's story. Can you think of all the different forces that take place during this story?

For example what force is being used when they throw the shot put?

Writing:

Drifting Away -

- What can you see inside the bottle?
- What is that place?

	<ul style="list-style-type: none"> • Is it a miniature village inside an ordinary-sized bottle, or an ordinary-sized village inside a giant bottle? • Has it always been inside the bottle? • Does anyone live there? Can they feel the waves of the water outside the bottle? • How did the bottle get here? • Where is it drifting away from/to? <p>Can you record your answers on the bottle themed paper found at the bottom of this document? If you are unable to print you can stick your answers to the questions on a small drinks bottle.</p>
