<b>Maths:</b>		
<b>Maths</b>	Purple mash- In maths this week we have been looking at capacity, how to read scales and convert between different measures. Answer the questions converting between different measurements.	Monday 12 <sup>th</sup> October
<b>Curriculum</b>		
<b>One curriculum area to be selected a week</b>	In our final week before half term we will be celebrating black history month. We would like you to do some research on one of the following people: Paul Stephenson, Olive Morris, Barack Obama or Stormzy.  Please think about why they are influential and how they have helped to build a fairer world.	Monday 19 <sup>th</sup> October
<b>On-going project-</b>	As part of our Year 6 Science topic this half term and thinking about what you missed in Science in Year 5 summer term, we are asking you to create an animal habit. This can be an animal of your choice and you can present in any way that you would like. Remember, a habitat is a type of environment that a particular specific lives in. Ideas: <ul style="list-style-type: none"> <li>• Habitat in a jar</li> <li>• Create a shoe box habitat</li> <li>• Create a poster</li> <li>• Design a leaflet</li> <li>• Put all of your ideas in a piece of writing</li> </ul> Think about why your chosen animal is suited to its environment. Please be ready to bring your project in, share, and discuss with the rest of your class.	19 <sup>th</sup> October
