| 91 | 92 | 93 | 94 | 95 | 96 | 97 | 98 | 99 | 100 |

Use the number square above to find ten more and ten less than the following numbers.

| Ten less than | Starting <br> number | Ten more than |
| :---: | :---: | :---: |
|  | 16 |  |
|  | 33 |  |
|  | 26 |  |
|  | 45 |  |
|  | 51 |  |

Pide fus derincet es reprcient two two-dith numbers.

For menmer,
41

Then compary thwom uing $\mathcal{C}_{3} 3$ or $=$ $453 \quad 314$

Eaplain how prau lonew.

Pide fos dominget to repretint two two-dit rumbers.

For enomple,

Then compara thwom uing $\mathcal{C}_{3}$ y or = $45213<4$

Eaplin how proulluge.

Pide fas domindet eo repretent two two-dit numbers.

For champlat
4]

Then compara thwom uing $c_{3} 3$ or $=$ $4521 \quad 2104$

Eaplin how poullow.
