

Year 6 Home Learning: 8TH February 2021

<u>Spelling/Phonics</u>		<u>Time to spend on activity</u>
<u>Spelling/Phonics:</u>	<p>Monday – Selection of word from Autumn term Do the quiz on purple mash and then practice the words that you got wrong using some of the following strategies Trace, copy and replicate Look, say, cover, write, check Drawing around the word to show the shape Drawing an image around the word Words without vowels</p> <p>Tuesday –Endings spelt ious Do the quiz on purple mash and then practice the words that you got wrong using some of the following strategies Trace, copy and replicate Look, say, cover, write, check Drawing around the word to show the shape Drawing an image around the word Words without vowels</p> <p>Wednesday – Endings which sound like /ʃ ə l/ spelt cial or tial Do the quiz on purple mash and then practice the words that you got wrong using some of the following strategies Trace, copy and replicate Look, say, cover, write, check Drawing around the word to show the shape Drawing an image around the word Words without vowels</p> <p>Thursday – A mix of Year 5/6 statutory words Do the quiz on purple mash and then practice the words that you got wrong using some of the following strategies Pyramid words Trace, copy and replicate Look, say, cover, write, check Drawing around the word to show the shape Drawing an image around the word Words without vowels</p> <p>Friday – Homophones- words that are confused Do the quiz on purple mash and then practice the words that you got wrong using some of the following strategies Pyramid words Trace, copy and replicate Look, say, cover, write, check Drawing around the word to show the shape Drawing an image around the word Words without vowels</p>	30 minutes
<u>Reading</u>	<p>Log into your child's MYON account daily and read different texts for 15 minutes daily. Our class read project has been set for this week which. You have a range of books to choose from, depending on what table group you are in. Take your pick and then once you have finished, choose another to read! Leave your teachers a review once you finish a book to say if you enjoyed it and if you would recommend it to a class mate. Don't forget to complete an AR quiz once you have read your book.</p> <p>https://www.myon.co.uk/login/index.html?logoutReason=10&returnTo=%2Flibrary%2Fsearch.html</p> 	<p>Read for 15 minutes daily using your Myon log in</p> <p>30 minutes</p>

	Comprehension on purple mash Monday and Wednesday. Read the chapter and answer the questions	
English – All worksheets will be put on Purple Mash		
Monday	<p>LO: To punctuate speech</p> <p>Starter: Look at why we are going to focus on punctuating speech. This is an area where we miss lots of punctuation out.</p> <p>Main: Recap over how we punctuate speech. Common misconceptions include no punctuation inside inverted commas, no closing inverted commas and no comma after the noun for said if the reporting clause comes first.</p> <p>Activity: Complete the adding inverted comma activity on purple mash. Try to be as accurate as you can.</p>	1 Hour
Tuesday	<p>LO: To plan</p> <p>Starter: Remind yourself of where we got to last week with our refugee story. We have been washed ashore and captured.</p> <p>Main: Read WAGOLL of your escape. Look at how to complete a plan of your escape to this point of climbing into the white van and what happens now.</p> <p>Activity: Complete your plan, can you include dialogue, a relative clause, figurative language, adverbial phrases, openers and a summary of your story.</p>	1 Hour
Wednesday	<p>LO: To write your escape</p> <p>Starter: Look at your plan from yesterday</p> <p>Main: Read the WAGOLL, look at the features that have been included, speech, figurative language, feelings.</p> <p>Activity: Write the next part of your journey. Remember, you are writing in first person.</p>	1 Hour
Thursday	<p>LO: To explore hopes and dreams</p> <p>Starter: What are hopes and dreams?</p> <p>Main: Now that you are nearing the end of your journey and you can see light at the end of the tunnel what might your hopes and dreams be? What types of things would you hope for your future? Happiness, safety, education, why do you wish for these things?</p> <p>Activity: Create 4 different hopes and dreams with reasons why.</p>	1 hour
Friday	<p>LO: To write an ending</p> <p>Starter: Read the end of the WAGOLL</p> <p>Main: Recap the WAGOLL, this is now the end of your story. Look at how in the WAGOLL the tense changes to future tense. Think about all the things you can do with your freedom, what are your hopes and dreams.</p> <p>Activity: To write the end of your refugee story including future tense.</p>	1 Hour
Grammar - All worksheets will be put on Purple Mash		
Thursday	<p>LO: To identify determiners</p> <p>Starter: Look at the PowerPoint on determiners, can you identify the determiners in a sentence</p> <p>Main: Determiners are words that come before a noun, they introduce the noun and give the reader important information about it. The, my and a are all determiners. We have specific determiners these are used when the reader knows exactly what noun you are refereeing to, for example; his, ours, whose, these. General determiners refer to general nouns or nouns that the reader does not know. General determiners can also tell the reader how many nouns you are talking about, these are called quantifiers, for example, five, more some and less.</p> <p>Activity: Identify the determiners in a sentence</p>	45 minutes

Maths - All worksheets will be put on Purple Mash

Monday	<p>Fluent in 5 - Number of the day 78 Double and Half it Multiply by 10, 100, 1000 Divide by 10, 100, 1000 Round to the nearest 10, 100, 1000 Square it First 5 multiples Factors</p> <p>LO: To interpret information from pie charts</p> <p>Input Establish what a pie chart is and what information can be shown in a pie chart. Establish that each section shows us an amount of people that voted for a particular subject. Start with fractions we know a half, a quarter. How do we find half of 20? Explain the importance of labelling the pie chart first! What fractions do you recognized?</p> <p>Activity Answer questions based on pie charts.</p>	1 hour
Tuesday	<p>Fluent in 5 - Number of the day 234 Double and Half it Multiply by 10, 100, 1000 Divide by 10, 100, 1000 Round to the nearest 10, 100, 1000 Square it First 5 multiples Factors</p> <p>LO: To interpret information from pie charts</p> <p>Input Recap yesterday's learning. Explain to the children that today they are going to apply their knowledge from yesterday in a different context, with percentages. How do we find the percentage of number, you have used this skill lots in your arithmetic papers. Look at another pie chart, how would we start this?</p> <p>Activity Answer questions based on pie charts and percentages</p>	1 hour
Wednesday	<p>Fluent in 5 - Number of the day 456 Double and Half it Multiply by 10, 100, 1000 Divide by 10, 100, 1000 Round to the nearest 10, 100, 1000 Square it First 5 multiples Factors</p> <p>LO: To interpret information from line graphs</p> <p>Input Show children selection of line graphs Discuss what each graph is showing how it is creates- series of dots joined together. Do we remember this from previous learning? Year 5? We looked at the temperature of a classroom. We need to read the x and y axis carefully, look at what each is showing you. Can you work out the scale before you start answering the questions? Work through the questions and model how to read the graphs to find the relevant information.</p>	1 hour

	Activity – Questions comparing 2 line graphs can you identify 3 similarities and differences? Then interpret information from a line graph	
Thursday	Fluent in 5 - Number of the day 12.3 Double and Half it Multiply by 10, 100, 1000 Divide by 10, 100, 1000 Round to the nearest 10, 100, 1000 Square it First 5 multiples Factors LO: To interpret information from a Carroll and Venn Diagram Input: Can you remember what a Carroll and Venn diagrams are? They are ways of sorting data. Carroll diagrams are a table to sort data and Venn diagrams use two circles to sort data. Where they meet is where the data is the same. Activity – LO: To complete questions involving Carroll and Venn diagrams.	1 hour
Friday	Fluent in 5 - Number of the day 56.5 Double and Half it Multiply by 10, 100, 1000 Divide by 10, 100, 1000 Round to the nearest 10, 100, 1000 Square it First 5 multiples Factors LO: To practise arithmetic skills. Input Children to complete mixed set of arithmetic style questions Activity – LO: To solve arithmetic questions Success Criteria *read each question carefully *Pick the correct 4 rule method to use *Show your working out *Write your answer *Check your answer and working out	45 Minutes
Foundation Subjects
